

Nordstrom Shareholder Meeting Question
Ethan Peck, Associate, Free Enterprise Project

Nordstrom is a sponsor of the Human Rights Campaign (HRC), which has lobbied ruthlessly against Florida's anti-grooming legislation preventing teachers from speaking to children as young as 4 years old about sex and sexuality. In sponsoring HRC, Nordstrom is then, in effect, using shareholder assets to fund efforts to indoctrinate young children with radical gender ideology.

Do you believe it's acceptable for teachers to discuss sex with young children? If not, will you end Nordstrom's sponsorship of HRC?
